About Ray Kelly – I assume he never got back to you about our request for job descriptions and skill requirements for gang intelligence officers?

Blair,

Well, for what it's worth, NYPD has rejected my participation as well in a COMSTAT meeting. Apparently, they have been overwhelmed by requests and have made the somewhat arbitrary decision to allow only commissioned officers.

On another note, I have not heard back from Ray Kelly, but it is very possible that he is out for the holidays.
